OPERATIONAL POSITIONS

*SNR has the following roles open at its **Lockwood Dock Facility**, located at Catlettsburg, Kentucky.*

We currently have the following vacancies at our Lockwood Dock Facility.

Electrician

As the successful candidate you will be primarily responsible for providing electrical support to the Lockwood dock operation. You will possess a sound understanding of preventative and breakdown maintenance, fault finding/problem solving as well as the ability to work as a team member. These credentials will be complemented by your genuine commitment to safety and demonstrated ability to operate in an environmentally responsible manner.

Applicants must have a recognized Electrical Certification and must hold MSHA certification. Previous experience in coal mining is desirable.

Mechanic / Operators

Applications are now being invited for Mechanics and Operators to join the Lockwood Dock on a fixed term basis.

As a successful applicant you will have the ability and willingness to learn new skills, value being part of a team environment and perform your role in an efficient manner. A total commitment to the highest standards of Health and Safety and the ongoing ability to work within Stella Natural Resources' health and safety management system is essential.

You will be comfortable performing the full range of operator tasks in which you have been trained. You will be required to operate equipment and undertake service and support tasks that maximize the production of the dock whilst maintaining compliance with all safety and operating standards.

With previous coal experience you will hold a MSHA certification, a current drivers license and equipment operator licenses. You will have excellent communication skills, highly developed team work skills and you will strive for your own personal development.

For the mechanic position you must also have Welder, fabricator, mechanic experience.

Please email your application to info@snresources.com.
