FINANCIAL CONTROLLER – HUNTER VALLEY HUB

HUNTER VALLEY, AUSTRALIA. Operations Based.

Stella Natural Resources is seeking suitable candidates for a Financial Controller role at our Hunter Valley operations, reporting to the General Manager – Hunter Valley Hub. The position is accountable for the accounting operations of the company, to include the production of periodic financial reports, maintenance of an adequate system of accounting records, and a comprehensive set of controls and budgets designed to mitigate risk, enhance the accuracy of the company's reported financial results, and ensure that reported results comply with generally accepted accounting principles or international financial reporting standards.

Key activities include :

- Overseeing the accounting operations of subsidiary corporations, especially their control systems, transaction-processing operations, and policies and procedures.
- Managing and producing the company financial statements and Australian and state reporting requirements
- Coordinate and direct group auditing functions

- Prepare financial information for board meetings
- Assist with the management of the Company cash flow
- Management of tax requirements for the company and subsidiary corporations.

To be successful in this role, the candidate must possess at least 7 years plus of progressively responsible experience, hold a degree in related discipline (accounting, finance or commerce). Possession of a CPA/CA qualification and mining operation experience is highly desirable.

ABOUT STELLA NATURAL RESOURCES
